TUNNEL TRANSPORTATION OF DANGEROUS GOODS REGULATION

Definitions

1 In this regulation:

“means of containment” has the same meaning as in the *Transportation of Dangerous Goods Act, 1992* (Canada);

“means of transport” has the same meaning as in the *Transportation of Dangerous Goods Act, 1992* (Canada);

“prohibited area” means

- (a) the George Massey Tunnel, or
- (b) the Cassiar Connector Tunnel.

Prohibited movement of dangerous goods

- 2**
- (1) A person must not transport any means of containment in a prohibited area at any time when section 4.15 of the *Transportation of Dangerous Goods Regulations, SOR/2001-286*, requires that a placard, within the meaning of that regulation, be displayed on the means of containment.
 - (2) Despite subsection (1), a person may transport a means of containment in a prohibited area at a time referred to in subsection (1) if
 - (a) the person does so in accordance with a written permit issued by the minister, and
 - (b) the permit is carried in the means of transport transporting the means of containment when it is in the prohibited area.
 - (3) The minister may issue a permit for the purposes of subsection (2) if the minister is satisfied that no suitable alternative route exists, and may impose any terms and conditions that the minister considers appropriate.
