SCHEDULE

1 Section 1 of the Clean or Renewable Resource Regulation, B.C. Reg. 291/2010, is amended by repealing the definition of “waste heat” and substituting the following:

“waste heat” means heat produced by either of the following processes:

- (a) a commercial process, the primary purpose of which is not the production of heat;
- (b) a heat recovery process conducted by a facility that
 - (i) is covered by a solid waste management plan that is approved under the *Environmental Management Act*, and
 - (ii) began conducting heat recovery processes before February 15, 2024; .
